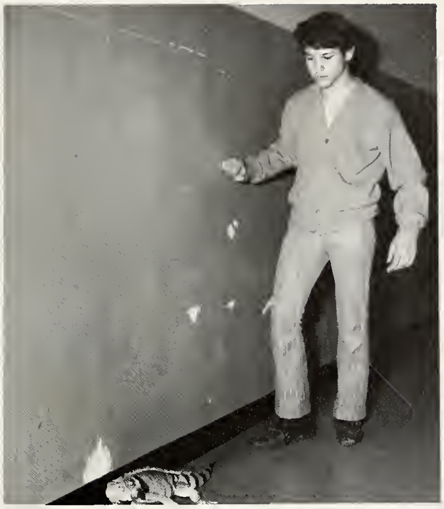
Freshmen Set Goal Search for Identity

Looking scared on Registration Day,
Carrying dictionaries,
Lugging armloads of books,
Dropping things in crowded halls,
Running back for them.
Coming in as numbers,
Becoming known as individuals by peers.
These days seemed long,
But they will always be treasured in memories.
Perhaps,
The cheers and the school song will eventually be forgotten.
But other memories will survive:
Making new friends,
Dealing with new experiences,
Meeting new people,
Learning to work with others,
Striving for individuality,
Getting used to high school life.
The road is long,
The rewards are numerous.

Sophs as Individuals Accept Responsibility

Second year,
Sophomore year.
Slump year,
Team-teaching,
Club tryouts,
Term papers,
Simulators,
Modern dance,
Leadership Training,
Sophomore sports.
New experiences,
New conflicts,
New ideas,
New challenges,
New feelings:
Maturity,
Acceptance,
Responsibility
Self-reliance
Confidence
Individuality.
Class rings!



KRAML

An Eventful Year; Learning About Life

Class rings,
Varsity sports,
Prom plans,
College preparations:
American College Test (ACT)
College Entrance Examination Board (CEEB)
Preliminary Scholarship Aptitude Test (PSAT).
These are signs of the upperclass.
Taking various courses
Geared to help understand life:
Data Processing-
Learning that cards symbolize people:
American History-
Learning that there are certain people
Who stand out from the group;
First Aid-
Learning to help others.
Struggling through two years,
Looking forward to the last.

Seniors Look Ahead: Face Uncertainties

An eventful year:
Homecoming,
Senior pictures,
Prom,
Cap and gown measurements,
Graduation.
A memorable year:
The last sports events,
The last dances,
The last playnights
The last publications.
A rewarding year:
Club presidencies,
Scholastic awards,
Achievement awards,
Gold tassels.
Looking forward to the future
With mixed emotions-
Wanting to leave,
Yet fearing the life ahead-
The seniors leave high school as individuals
To enter the world of masses.

STOP
WE WANT QUALITY EDUCATION NOW
THIS HURTS ONLY STUDENTS

O' LIFE CHURCH

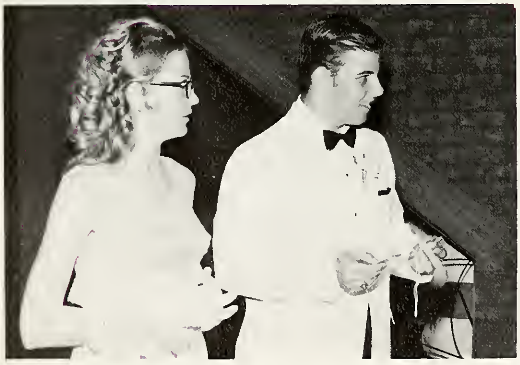
GO YOU MUSTANGS

Homecoming ’69 . . . . A Coronation Dance:

Queen: Sandy Zielinski
Court: Kathy Beckus; Barb Kraska; Kathy Malinski; Ann Miller.
An Assembly:
Team
Pep Club
Ringmaster
Acrobats
Clowns.
Then a parade:
Animals
Horses
Floats
Followed by a Game:
Excitement
Confetti
Half Time:
Cheerleaders and Cheers
Pom-Poms
Band and Militaires
Finally a Dance:
Cewpie Dolls
Fortune Tellers
Balloons
Homecoming Theme:
Under the Big Top



Music, Dancing; Prom a Reality

"In the Misty Moonlight"
Soft lights
Romantic music
Cheerful decorations
Set the mood for the prom.
Dances
Refreshments
Laughs
Dinners
Made for a good time.
Formals
Tuxedoes
Corsages
Boutonnieres
Bids
Charms
Willowbrook
Leave memories in the hearts of those who attended.

The Last Day

Remembering:
Dancing at class night
Being recognized at the Little Commencement.
Receiving diplomas on Graduation Day.
Marching out to the music of Pomp and Circumstance.
Leaving behind old friends.
Losing the individuality that took four years to gain.
Becoming again one of the masses.
Four long, tedious years:
Leaving impressions,
And lasting memories.

FACULTY

Problematic Year Faced Head - On

In his second year as Superintendent of District Number 201, Dr. James Moon has witnessed and initiated several changes in the school's policies and functioning. Distinct specification of administrative responsibilities and committees has taken place: new appointments have been made. Programs such as modular scheduling and EMH were expanded. Policies regarding students (such as the dress code) have been altered or changed. Indeed, two years of change.

Quality education, the keynote to the 1969-70 school year, forced members of the board and parents of the community to make many important decisions.

When the official opening of the school year was delayed because of a strike by members of the teachers' union, Ray Page, State Superintendent of Public Instruction, was asked to act as mediator. Agreement followed shortly. Questions of meeting the school budget occurred next: once again a decision was made. Tax anticipation warrants were issued and a tax rate increase referendum was put up for public approval early in 1970.

Students themselves directly forced decisions, and on November 10 a new dress code was adapted. Girls were permitted to wear slacks and shorts: boys were allowed longer hair and sideburns.

Local and state responsibilities weighed heaviest on the board. Solutions to several problems were sought after by the board. During this rather unusual school year, the board of education exercised its functions: levying taxes: appointing teachers: calling elections: borrowing money; fulfilling state requirements: but most important working towards a quality education.

Medics Helpful

In home nursing, under the supervision of Mrs. Nicholson, girls were taught to be prepared for emergencies and how to deal with emergencies in time of disaster, where no medical help is available.

Mother and baby care further prepared girls for the world outside with lectures, speakers, and instructional films. Girls learned to be individualistic—to not depend on someone else always for their personal well-being and that of their families.

Flex-Mod Good

Mr. J. R. Sime, former Spanish teacher, became a member of Morton's counseling staff. This position had been unoccupied since 1962.

Besides counseling on curriculum and academic problems, the guidance department offers advice to college-bound students. Under the direction of Mr. C. C. Nichols, students are offered help and information on scholarships, colleges, and entrance requirements. The annual College Night, held on November 5 gave much-needed information.

The EMH flexible-modular program, an experimental program in English, math, and history, has been continued and extended to include sophomores.

The special education department reported that much progress is being made in that field. In fact, one student who graduated from Morton's program has received considerable recognition as an accomplished swimmer and has received medals for her performance.

Using her many talents, Mrs. Moss helps student to correct speech patterns and develop self-confidence.

Students are given chance to excel in band, chorus, and art.

Art Department Displays Photos

Morton's band, orchestra, and varsity band boast a total of 215 students! An always on-the-move department, Fine Arts stresses student involvement in both curricular and extra-curricular projects, and so we also have 181 students in the District Wide band and orchestra, 42 students in the string section alone! Instructions in class piano and guitar are in the making, but only a student survey will determine the outcome.

The art department, too, is keeping busy. Confined to a small area, this department makes use of its space, with showcases and walls providing display areas for the art which is stressed in both art classes and photography. Many areas of study are available to students.

Cinema Arts, EMH New to Curriculum

Because of a large enrollment the Language Arts Department hired four additional teachers this year; and, keeping up with current trends, two new classes were added to the curriculum. Cinema Arts, dealing with the making of movies, enhanced the senior curriculum. Mr. M. Escorcia is in charge of it. Mr. J. J. Vespo headed an EMH program, giving the slower learner a chance to learn at his own rate.

Other changes were made. The new approach to language was adopted, initiated by Miss M. E. Dale and will hopefully be extended eventually to all the four years. Modular scheduling was extended to the sophomore year and coordinated by Mrs. M. J. Dewell, Miss P. Vaughn, and Mrs. W. J. Hoyt.

Morton was honored when Mr. C. T. Ostrowski was listed as one of the top 30 high school journalism teachers in the nation.

Apt Tests Used

This year, although still a portion of the Language Arts Department, the Foreign Languages operated quite independently.

Under the co-ordination of Miss M. Vonasek, an innovative approach, freshmen aptitude tests, was made use of. Because of this testing program the learning situation most suitable for the individual student was made available to him.

Yet, many approaches remained. Four years of languages was still available, made more vivid by the yearly community Christmas party held for all language classes and clubs. Once again a special awards assembly honoring the most outstanding students was held.

Two new Spanish teachers, Mrs. S. Tomic and Miss J. Healy; one Russian teacher, Mr. W. L. Davis; and one German teacher, Mr. A. G. Schuett came to Morton.

Traditional at Spanish fiestas is the breaking of the pinata.

Math Renews LAMP; Science Honors Scholar

Although no new programs have been adopted this year, Mr. Janacek, head of the Mathematics and Science department, reported the renewal of "an experimental math program for low achievers."

Formerly known as the LAMP program, it was directed by Mrs. Ruby Banton last year. This year, under the direction of Mr. Parker, Mr. Schliem, Mrs. Banton, and Miss Plotke, students are able to improve their math abilities using calculators, controlled readers, puzzles, and other devices "to motivate their interests," working at their own pace.

The SRA series allows the teacher to supply immediate remedial work on specific areas in which the student is having trouble. Controlled readers deal with everyday problems in invoices, order forms, etc. Students use calculators to check for accuracy.

The Math department also sponsored an annual contest. The three highest students from each school formed a team and competed with surrounding areas for school standing.

A science scholarship was given to the student who excelled in that field. The winner received a gold medal, presented at graduation ceremonies.

Home Economics Prepare Students For Family Life

Patience is a virtue.

Food, clothing, and homemaking are part of the subjects offered to both boys and girls of Morton. These subjects help the students to identify as individuals.

Also a home economic club has been formed. "ECHO", as it is called, provides enjoyment for those who are interested in homemaking.

With one new addition to the staff, this department has increased in size. Under the direction of Mrs. Dorothy A. Lyle, the department will continue to prepare students to face the problems of family life.

New Course at East

This year, the Industrial Arts Department has split the Vocational Auto Mechanics workshop between the two Morton schools. The split was made because the enrollment was becoming too large to be handled by one school alone. Also, it helped save traveling time between buildings for the students. This course takes up three hours of the otherwise normal schedule of those enrolled in it. While in class, these boys learn to repair cars and car parts. The cars which need repair work are brought in by both students and teachers of the high school. The course is being taught by Mr. Lawrence Whited, who is also the boys' homeroom teacher.

Three new members have been added to the department this year. They are Mr. R. Bava, Business Education; Miss H. Jorgenson, Data Processing; and Mr. J. Weber, Industrial Ed.

Alter Program

The physical education department, under the direction of Mr. Martin, instituted a new program this year which categorized all courses within the gym classes into six week periods. For example, the senior boys followed the proceeding schedule throughout the winter: six weeks of gymnastics, six weeks of track and field, six weeks of handball, and six weeks of golf.

Gym classes also continued with last year's newly instated co-educational gym classes. Among these were social dance, volley ball, tennis and badminton.

Mrs. Herda left the department during mid-semester on a sabbatical leave, to be replaced by Mrs. Keslov, who just returned from her leave. New to the department was Mr. Breck, a football and basketball coach.

Suggests Am. Gov't. For More Students

An Annual Law Day Contest, the Cornell University Award Essay Contest, and a United Nations Contest were some of the activities offered to the Morton students by the Social Science Department this year.

Dr. Antal stated there is a need for more students to become involved in American Government, a course which is taught by a new teacher, Mr. Harold Mance, who has wide experience as magistrate and a member of the youth commission.

European History, a college-level course offered to seniors highly qualified in history, will be offered next year. At the present time, the most popular junior and senior electives are Sociology, Psychology, and Family Living.

Two faculty members, Mr. J. S. Everett and Mr. B. Weiss, were on leave during the 1969-70 school year. Mr. N. Fry left at the end of the first semester to serve in the armed forces. Mr. J. Chuman has joined the Social Science faculty.

Because of the valuable teaching services he offered Morton students, Mr. G. M. Larimer's tenure was extended one year beyond the age of retirement.

Elect Frosh Cabinet

This year, Freshman Cabinet was revived. Four new members, all girls, were elected to serve on the cabinet by the Freshman Class.

Among the duties these girls had to perform were to represent their class, to keep a record of accounts, and to guide their class in making major decisions.

Even though the girls were elected later in the year, February, they did try to sponsor activities such as play-nights and bake sales, to help build up the Freshman Class' treasury.

An important event in the life of a freshman is registering and getting his locker assignment and books from Mr. H. West, textbook librarian, during the first week of school.

Auction Slaves

Because Freshman Cabinet had been abolished when the Sophomore Class was first entering Morton, this is the first year that the class of '72 was represented in the MSGA. Seeing that the cabinet advisors follow the cabinet through their four years, two new faculty members had to be broken in and taught to serve as advisors.

The slave sale was the major event sponsored by the Sophomore Cabinet. At this event students and teachers were "sold" to the highest bidder. The job of the slave then included anything the "master" requested for one day. Slaves served throughout the day, at the evening basketball game, and at the sockhop following it.

Another event held by the cabinet was a pen sale. The pens sold were maroon and white ball points, inscribed with the basketball schedule.

Because so many students participated in both sales, the Cabinet's treasury increased substantially.

Above: Even teachers waited anxiously for the bidding to be over. Right: Pens by the dozen were bought by students when the Sophomore cabinet held the sale. Below: Slaves of different colors were on sale to be bought by students.

To keep the Morton students in style, Junior Cabinet sold maroon berets during the half-time of a basketball game.

Hold Beret Sale

Among the Junior Cabinet's activities was the selling of maroon berets which could be bought either at basketball games or from the members of the cabinet. The advantage of buying a maroon beret was that if a student had one, he could get into certain sockhops throughout the year at half price.

This year the Junior Cabinet lost their co-advisor, Mr. R. Griffin, who was replaced by Mr. T. A. White.

Purchase Gift

Under the direction of Mrs. J. Kassner and Miss M. Glos, who this year took the place of Mr. C. W. Schliem as Senior Cabinet advisor, the cabinet sponsored a mug sale. The mugs, which sold at $1.50, were glass steins embossed with a maroon school emblem.

Among other activities that the Senior Cabinet sponsored were a playnight, a sockhop, and the Turnabout Dance.

Since this was the cabinet's last year at Morton, it was their job to buy a gift for the future students of Morton.

A new feature, a Morton East mug sale, was brought to the students by the Senior Cabinet.

Take on Duties

Orientation Committee, this year, helped all freshman locate their classes on Registration Day. Other duties of the committee were to coordinate the Annual Freshman Orientation and prepare the yearly student government publication.

School Spirit Committee took on the assignment to organize hall decorating contests, game transportation and pep assemblies to help promote school spirit.

Election Committee was responsible for helping teach their duties to newly elected students holding offices in the MSGA. The committee also supervised all school elections.

GO MODERN

Opposed to the traditional concert-viewer type of performance, concerts have taken on a new look this year.

Instead of merely listening to the performers, students participated in a concert dance.

The first of these featured For Days and a Night, a local popular group, and The Albatross. Afterwards, students were able to talk to the members of the groups and receive autographs.

Following this concert, a "Kinetic Playground" playnight was held. Psychedelic lights and music filled the cafe in an attempt to create an atmosphere similar to that of the original one.

Feature Name Groups

Morton students were treated to one of America's top campus shows in an assembly featuring the New Hope Singers.

Fresh from an unprecedented series of shows on the Tomorrowland Stage at Disneyland, they performed a medley of popular songs. This was the second time this group had performed on Morton's stage.

On December 5, in a Broadway-type musical with a message, the Chrysler Corporation appeared in a long morning assembly. The Spurlows, in the revue "Music for Modern Americans," stressed the importance of Driver Safety and sung all types of music ranging from soul to classical and folk rock to jazz, combining these with a selection of solos and comedy skits.

The group consisted of twenty-four young talented musicians and singers averaging age nineteen. Traveling some 65,000 miles in a year to visit nearly 500 schools, the Chrysler Spurrlows have used music, humor, and skits to give their Safe Driving Message to more than three million young adults since becoming a vital part of Chrysler Corporation's extensive Driver Education program. Being only slightly older than their high school audiences, they are able to communicate with teenagers in their own langauge.

In a grand finale, Chrysler Corporation saluted Morton's stage, leaving behind a message of song and safety.

Decides Theme

Under the direction of the Homecoming Committee, "Under the Big Top" was the theme for this year's Homecoming. Besides sponsoring the parade, they also sponsored a coronation dance, a pep assembly, and the Homecoming dance.

Working on the committee does not entail a once-a-year job, for members of this committee begin making plans for the upcoming Homecoming as early as February of the preceeding year.

Hold T. B. Drive

Among the many activities held by the Pep Club was a T. B. Drive. Other money-raising activities were a sock hop, a bake sale, a play-night, and a rah-rah sale. The club also sponsored the Mom and Dad's day, the last football game of the season honoring parents of senior players. Helping with the school, the Pep club cleaned the trophy cases and at Homecoming they decorated the stadium to help bring school spirit to the spectators.

The main purpose of the club, which is not limited to female members, is to help the cheerleaders by participating in the cheers. Points were given to those who attended the games or helped on a committee or work on the float. At the end of the year those receiving the highest number of points were awarded.

KE EM MUSTANGS!

Despite the teams' efforts, the Homecoming game ended on a dismal note, as fans disheartedly watched the score board and saw that their team was defeated.

Aid Teams, Spirit

In keeping up with their purpose of performing services to the school, the M-Club, composed of the school's outstanding athletes, ushered at events throughout the year. Bringing the athletes together for the main purpose of promoting school spirit, the club was also scheduled to sponsor a basketball game between the faculty and the Bears Football Team, hoping students would support this school function. And, to help the smaller teams, the M-Club hoped to purchase a microbus which would enable all the members of a team to attend all the meets.

Because they are affiliated with the Student Government, all their monies made from club-sponsored activities were turned over to the MSGA treasury.

Any athlete wishing to join M-Club must first be awarded a varsity letter.

J. Ruddle Talks

According to Mr. R. Matthies, Junior Honor Society advisor, the clubs have had a "very successful year."

For the second consecutive year, the society float placed second in the Homecoming competition. Shortly afterwards new members were initiated into the Junior Honor Society and honored in a special assembly where they first learned of their election. Jim Ruddle highlighted the day's activities with a speech to the sophomore, later chatting with members in the teacher's caf in a special reception. Formal initiation was held a week later, featuring a talk by Mr. Lavenau.

Fortune telling and "bean guessing" were a part of the Halloween and Xmas parties. Members went caroling over the holidays, contributing the earnings to a local charity. Proceeds from the taffy apple sale, bake sale, swimming party, and candy sale went to finance the spring banquet, held this year at the Chateau Royale. Following a dinner, juniors and seniors were initiated into the Senior Honor Society.

Challenge Others in Athletic Events

The very active *Czech Club* entered a car in the Homecoming parade and prepared a poster display of Czech Xmas customs for the hall decorating contest besides taking an active part in the Christmas party of the language clubs. Their lollipop and Easter candy sales brought much needed money into the club treasury. In the early spring they challenged other language clubs to a ping-pong tournament, and later held their annual banquet at Old Prague, and a splash party in the new pool. At the traditional Memorial Day picnic in the Brezina woods there was a scene of friendly rivalry in a spirited soccer game between all the language clubs.

This year's biggest event for the *Italian Club* was a trip to the Woods Theater to see "The Secret of Santa Victoria", with other lesser trips taken to the various Italian restaurants of the Chicagoland area. Further carrying out its purpose of acquainting students with the culture and regions of Italy, films on travelogue and different geographical areas of Italy were shown during class time. An unusually successful Torroni sale was also held.

Monte Carlo Fun

The *French club*, this year, took an active part in the school's activities. Besides participating in two bake sales, a Language Arts Tea, and a hall decoration contest during Christmas time, the club presented a Monte Carlo Casino at the Language Christmas party. Other activities for this year were dunes trips, skating parties, and a trip to a French restaurant.

In keeping up with the purpose of the *German club*, to promote a greater interest in German culture, members of the club helped sponsor a German *Oktoberfest* this year. For this event, they hired a band for entertainment and awarded prizes for the people who came in the most original outfits. Members also baked German foods to sell at the festivity.

Visits Restaurant

This year, Spanish Club played a major part in the annual Language Christmas party. Besides providing refreshments and Christmas carols, they also had a pinata. Toward the middle of the party, students had a chance to try to break it with a pole.

Other activities throughout the year included a splash party, a dance demonstration, ping-pong contests, and checker games.

Because the objective of the club is to learn about Spanish culture and to have social fun, Mr. Abbate, advisor, accompanied the members on a trip to La Hacienda del Sol, a Spanish restaurant.

Throughout the year, the language clubs participated in many events, such as Eighth Grade Parents' Night, Hall Decorating Contests, a Christmas Party, and just plain class work.

MERRY CHRISTMAS

Places First

Listening to music, dressing up in their native costumes, and playing Russian scrabble were just some of the events the Russian Club took part in. A bake sale helped the club to get the money needed to go on a field-trip to a Russian church, bookstore, and restaurant. The money was also used to help sponsor the Christmas party where they won first prize for singing the "Twelve Days of Christmas" in Siberean.

Since the objective of the club is to learn about Russian culture, Mr. Davis, advisor, purchased copies of the *Soviet Life* magazine for the members.

Lecture Heard

A visit to the planetarium and a lecture on Astrophysics were some of the major events that the Astronomy club participated in.

A sucker sale in December and another one on St. Patrick's Day helped the club purchase a mount for their telescope. The club also participated in the Homecoming parade and observed stars, planets, and constellations.

In keeping up with the objective of the club, learning about the field of astronomy, the members also learned how to build their own telescopes and how to grind the lenses.

Take Five Trips

With its major purpose being the furthering of student interest in the field of the natural sciences, the Science club concentrated on having its members go out to places and learn to appreciate the out-of-doors. To accomplish this purpose, members of the club were given the opportunity to attend any or all of five field trips throughout the year. The sand dunes, Starved Rock, the Museum of Science and Industry, the Academy of Science, and Palos Park, were places all visited. During these trips, students were able to see various exhibits, observe natural phenomena, or collect items of value for their particular project or interests.

INVESTIGATIONS IN SCIENCE

Advisor, Mr. Horacek, and members of the Astronomy Club displayed some of their equipment and experiments at the Freshman Parents' Open House held in the student cafeteria. Displays also dealt with Physical and Biological sciences as well as with astronomy.

Sell Tickets

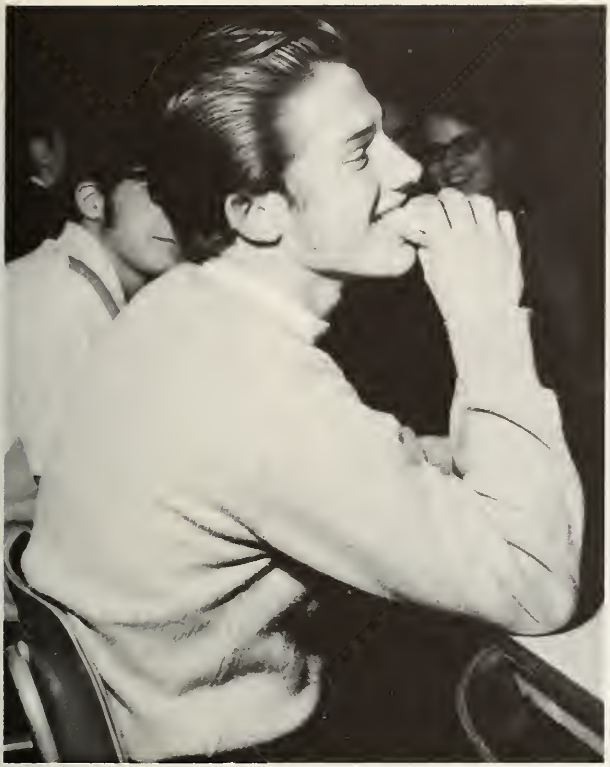
With the help of four students and their advisor, Mr. Petrdil, the Ticket Office serves the student. The main job of the students who work there and the purpose of the ticket office is to help all clubs, activities, and instrumentals in collecting accounts for various money making activities. These activities include school functions, concerts, proms, and banquets, for which tickets are sold.

In order to be a member of the Ticket Office staff, a student must first be screened by the Assistant Principal and then by the Deans.

Keep Order

The main purpose of the Caf Guards is to keep the caf period orderly. The boys are assigned to guard doors and certain areas, making sure these areas are kept clean by bringing back trays left on the tables and by watching for the out-break of fights. Caf guards are only concerned with the caf area and, if necessary, can take students directly to the Dean's Office.

Every Friday the Caf Guards dress in ties and sweaters or sport coats. The boys are then given points for the way they look and the job that they do.



Far Left — Students purchase tickets for "Sweet Charity" at Ticket Office. Left — Student seems to have discovered that the cafe food isn't all bad. Below — Mixing food with study sometimes has an interesting effect, as this boy proves with his antics.

Sells Books

The main purpose of the Library Club is to keep the library running smoothly. The members do this by helping the librarians stack books on the shelves, by organizing the card catalogue, and by checking out the books. Girls work in the library before school, during their study periods, and after school.

Another function of this club is selling paper-back books to help build up the club treasury. These books were sold throughout the school year, in the library, before school hours.

At the end of the year, members who earned enough points were given awards, depending on the number of points they had received. For earning 600 points, members received a gold pin and for earning 1200 points, members were given an "M." These awards were presented to the girls at the end of the year during the annual Awards Banquet.

Elect Twenty-Two

Being an honorary Club, members of Quill and Scroll must be picked by the advisors of the annual, newspaper, or *Trial Flights*. The members must meet certain requirements before being considered for membership. First, one must be on a publication. He must be a junior or senior and be in the upper third of his class. Students must have done superior work in writing, editing, or business management. They must regularly attend meetings of the publications and help in the actual putting together of the book, magazine, or paper.

This year's membership consists of three previous members from the *Mortonian* Annual and twenty-two new members from the newspaper along with two from the annual. The advisors this year are Miss Baranowski, *Mortonian* Annual, and Mr. Ostrowski, *Mortonian* Newspaper.

J. Spizzo-Asst. Sports Editor

Has New Look

Among the many changes in this year's newspaper, a new position, the managing editor, assistant to the editor-in-chief, was created. Photography and writing became more creative than they had been in past years. One new photography technique used was the direct line shot exemplified in the strike-walkout issue. Occasionally, as in the Christmas issue, a second color was used to add variety. The editorial page, along with changes, now allows two-thirds more space for the student voice.

Besides the new position created, the staff itself underwent other changes, enlargement being the most important. To keep continuity, a new staff is trained every two years and this year's staff was twice as large as the previous one. Most important, the readership of the paper has increased.

Emphasis Put On The Individual

"Student As An Individual" was the theme for this year's annual. Through photographs, layouts, and copy, the staff members emphasized you, the student.

Changes have also made this book a unique one. To start the new year, a new advisor was brought in, Miss C. Baranowski. Other changes are in laying out of the book, the informal look in pictures, and a unique cover design and color. Under the direction of five editors, the book has been expanded to 264 pages, in efforts to more completely record the school year.

Girl Wins Award

One of the major activities of the Home Economics Club, ECHO, was taking a guided tour through a food testing laboratory. Other highlights of the year included a field trip to a restaurant, a spring fashion show, and a speech by Mrs. Tooke, a representative of the Northern Illinois Gas Company. To help build up the club treasury, the members sponsored an Easter egg sale in the spring.

In keeping up with their purpose to promote interest in Home Economics, the girls, along with their advisors Mrs. D. Reynolds and Miss M. Black, took a trip to the Museum of Science and Industry to see the Home Economics display.

This year ECHO had the honor of having one of its members, Jorene Christenson, named the Future Homemaker of the Year.

At the end of the year, girls who had accumulated sufficient points were given awards.

Assist Inmates

Helping people of the Chicagoland area who have no contact with the world outside of the mental hospital is the main purpose of the Student Volunteer Service. Because this is its purpose, the students direct their attention to the Chicago State Mental Hospital by taking trips to this hospital every Tuesday evening during the school year. They help these people by playing basketball with the men, helping the women with self-improvement, bringing them presents, giving them parties around Christmas and Easter, and just plain talking to them.

Because the club needs money for hiring a bus to transport them from the school to the hospital and back, they held various money-making activities throughout the year. Among these were a bake sale, a taffy apple sale, a playnight, and a sock hop.

Mosaic in Planning

A part of the Art Club's activities was the making of a huge mosaic for the school. It was 15 feet by 5 feet and was hung outside the Dean's office. Consisting of three different shapes, it depicts two sides of the student's life. An oval bearing the slogan, "What I Will I Can," with pictures of sports activities to one side and academic activities to the other.

Other activities were a sucker sale, a splash party, an entry in the hall decoration contest, a design for the school calendars, and a dinner held at the end of the year.

At the dinner, pins and "M"s were given to those members who had a total of two hundred points. The points were received each time a member showed up at a meeting.

In order to join Art Club, one must have an interest in art, be very talented, and be a hard-working student.

Two Presidents!

Using the theme "Incense and Peppermint," the Malibus presented a swim show accompanied by the sounds of today's music. While out of the water the members wore newly purchased tops with the club's name printed across the backs.

Another major event was the S.A.A.A. This took place at Northern Illinois University at De Kalb.

Other activities throughout the year included participation in the Christmas hall Decoration contest in which they received an honorable mention, sponsoring of a playnight, and bi-weekly workouts on Tuesday and Thrusday evenings.

A unique occurrence in the club was election of two presidents, Barbara Wenckus and Tom Rusnak.

According to the advisor, Miss DelRe, the deserving members received a small necklace numeral, a cloth numeral, an "M", or a key at the end of the year.

Girls Sell Mums

The main activity of Junior-Senior Girls, this year, was the selling of Mums at the Homecoming Game. In December, the members sponsored their annual Mother-Daughter Banquet held in LaGrange. To help pay partially for this banquet, the girls held several bake sales throughout the year.

In February, the club held its Awards Tea. Here, the girls received either an "M," a service pin, or a numeral for points received. This tea was held in the school cafeteria where refreshments, including pizza, were served.

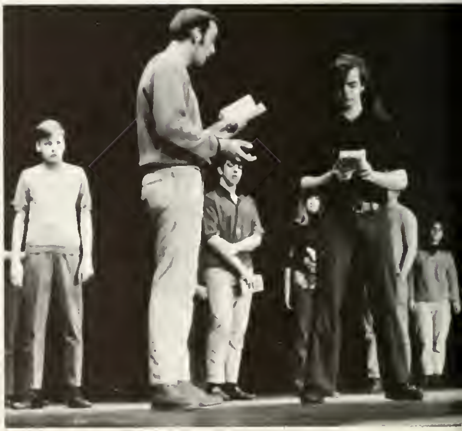
Thespians, the school's acting club, entertained the student body with many production this year. Right and below right: rehearsal for "Macbeth." Far Right: tryouts for "The Caucasian Chalk Circle."



in the
Festival
1st Place Winner

Present Four

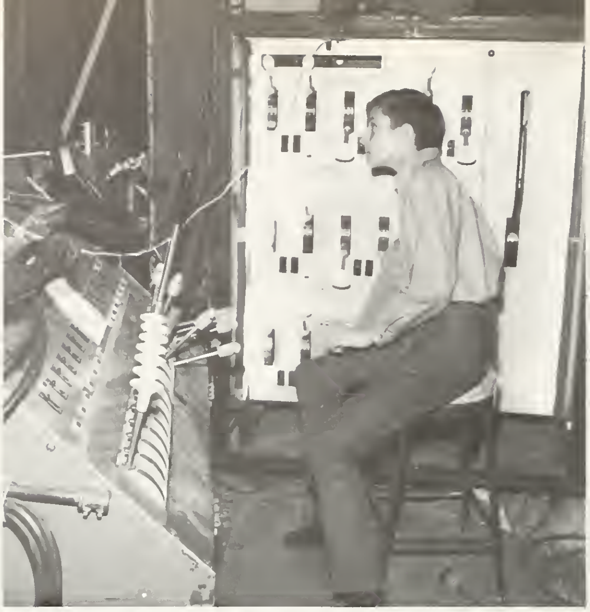
Being especially active this year, Thespians presented a total of four shows. Normally two shows are performed. Shows given in English classes also filled the agenda of this active group.

Points for participation in the shows were given, and a total of thirty points is required for a student to be a member. Each show is worth ten points and any outside concerts or activities including the English class show, "A Thurber Carnival" were worth five points.

At an awards banquet in May, pins were given for the best actor and actress, for individual performance, and for overall performance.

Basically, the purposes of Thespians are to compete in Forensics, to build up points, and to develop an interest in theatrical improvement.

"People vs. Ranchman," was the play Thespians took to the district competition held at Morton West this year. Here, they won First Place for their performance of the play. This play was unusual in the sense that it dealt with a new phase of acting — the living theater.



Speakers Place

Forensics competed in six invitational events this year. Quite a few members placed in the meets. For serious reading, Anna May Miska came in first and third; for comedy reading, Don Nowakowski placed first and third; for prose reading, Martha Briggs came in first and second; for verse reading, Jennie Daverman placed; and Diane Schlitwieler placed first, second, second, and third for declamation readings.

Also for original monologue, where the performers write the material, Janet Hopper placed third. Douglas Pekarek placed in the original oration, and Ed Hausknect placed in radio speaking. Elaine West placed third in extent speaking.

The purpose of Forensics is to put speaking before acting.

Upper left: A light crew worker makes last minute checks for possible failures. Above: Backstage, one of the curtain crew adadjusts setups. Above right: Important to the overall performance, ground crew arranges one of many sets. Right: After a hectic morning schedule. "Charity crew stops to take a "breather."

Focus on Debates

Mr. Steinhaus became the new debate advisor this year. With one varsity team, the debate members participated in many events throughout the year. The club did not sponsor any money raising activities so they could focus their attention on the debates.

Through the debates held, the team members learned to present facts to support their debate. A topic is given the members and they are to find information to prove their point and to disprove their opponent.

Through the efforts of nine debators and the advisor, Mr. Steinhaus, the team tried to successfully fulfill their purpose and to get enjoyment and a learning experience out of the debates.

Mr. Drew gives a few last minute instructions to both cast and crew.

See Others In Medicine

Assisting in a clothing drive for the blind and attending the Mid-America Red Cross Youth Council were Two of Medical Careers' main activities this year. Made up of both boys and girls interested in medical careers ranging from veterinarians to medical doctors, the club also sponsored trips to the Berwyn Animal Hospital, West Suburban Hospital, Saint Luke's Presbyterian Hospital, and the U. of I. Medical Center. In May, the Annual Mother-Daughter, Mother-Son Banquet was held where new officers were presented and a speaker was introduced.

Pins Given By Nat'l. Div.

In keeping up with their objective of gaining more knowledge in the field of business, the Future Business Leaders of America, FBLA, attended the annual convention in Springfield, which was held in May. They paid for this trip by using the proceeds they received from their Christmas candy sale.

According to the club's advisor, Miss C. Polaniecki, points were awarded to all members throughout the year for attending meetings and for serving on various committees. Any member, who, at the end of the year, had enough points, then received a pin from the FBLA National Division in Springfield.

Holds Banquet

The Employer-Employee Banquet was one of the major events of the Distributive Education Club (DE) this year. Besides this banquet, the club also sponsored a State Banquet held in Springfield and an area Banquet held at Acacia Country Club in LaGrange.

Two Awards were given by the club to its outstanding members. These awards were the Student of the Year Award and the Salesman of the Year Award. Members who received these awards were given a trophy and a plaque.

According to Mr. Swigart, advisor, all students who belong to this club are employed.

Visit Northern U.

FTA, Future Teachers of America, has a twofold purpose; to enable students interested in teaching to meet as a group and to enable them to see the different techniques used in this profession.

One of the many activities the FTA participated in this year was a weekend trip to Northern Illinois University. The students stayed at various homes on campus while learning about the teaching techniques used at this college. Besides taking this trip, the members of the club also went to see the movie "Goodbye Mr. Chips."

To raise money for the club, a Japanese candy sale was held.

Work Part-Time

VOO, Vocational Office Occupations, is a club for students who wish to go to school and work for half a day. Those who belong to this organization attend school in the morning and work in the afternoon and part of the evening.

This year, the members attended the state convention where they participated in the Mr. and Miss Office Occupations Competition. At the end of the year, they sponsored a Banquet honoring and thanking their employers.

DO, Diversified Occupations, sponsored a candy sale as one of its major activities this year. The purpose of this club is to help seniors who are interested in getting on-the-job training and any senior interested in this may join.

Use New Shots

Under the guidance of their advisor, Mr. B. W. Smith, the members of the photography club, this year, furthered their knowledge of picture taking and picture development. Besides taking only familiar scenes such as still shots and shots of people, these photographers learned to take various unique shots by using different lighting and by over or under-exposing their photos.

To be eligible to join this club, all one needs is an interest in photography and the ability to work fairly well with the photography laboratory equipment.

Developing both talents and pictures, photo members practice picture-making.

Replace Machines

This year, all films for all classes were set up by fifty boys who work in the Audio-Visual Department. All students working in this department get one credit in PE for the work they do. That is, they substitute this course for a gym course. However, starting next year, credit will no longer be given to sophomores and freshmen taking this class; all work will be done on a purely volunteer basis and as a service to the school.

Boys who are new to this course are usually taught how to operate the machines by the captains or by the other students enrolled in this course.

All old equipment in the department was replaced this year when brand new machines were purchased.

The only requirements necessary to get into this course are a desire to do the work required to run films and to be willing to do fairly constant work.

Above left: Checking the daily schedule, operator prepares for his next assignment. Left: A few free moments allow practice time for a learning operator.

Present Concert; Feature Soloists

In addition to the Girls' Chorus, the Mixed Chorus, and the Aeolian Choir, two new groups were added to the Music Department this year. They are the Junior-Senior Musiquettes and the New World Singers, a group designed after the New Hope Singers.

Following the tradition at Morton, the Choruses held the Annual Christmas Concert. Featured soloists in this concert were Jan Grimm, Tony Poletti, Connie Baranowski, Laura Cominski, and Jim Steward.

In spring the choruses also performed another concert, the Spring Concert. Featured at this concert were songs from Broadway musicals, popular songs, and two selections written by a member of the music department.

The students who belonged to the choirs practiced their performances during class time and occasionally before and after school.

At the end of the year, the members of the choir took a trip to a symphony.

Soloists Perform

Saturday, February 7, the Morton East auditorium was filled with the melodious sounds of the Morton District Symphony Orchestra. Barb Lochery, a senior at East, Margaret Phillips, a junior at Morton East, Charles Soumar, a Morton West senior, Jeanne Maschelin, a Morton West sophomore, Carolyn Beth Riedell, a Morton West senior and Susan Martin, a senior at Morton West, were the evening's soloists in the strictly classical program. Selections from Wagner's "Lohengrin," Borodin's "Prince Igor" and Khatchaturian's "Masquerade Suite" were among the numbers performed. A spring concert, once again under the able direction of Mr. Theodore Radek, was presented to the public.

Band Marches

In a combined concert on February 28, the concert and varsity bands performed various musical compositions.

Directed by Mr. Joseph Tafoya, the varsity band performed "Medallion Concert March" by Kenny; "Air for Band" by Erickson; "Portrait of the Land" by Quinn; and "On Stage with Cole Porter" by Warrington.

The concert concluded with a performance of the finale of Brahms' "Symphony No. 1."

Members of the combined varsity band also participated in the annual Homecoming parade and game titled "The Big Top," as well as in other home football games.

The East varsity band performed at several of the home basketball games.

Members of the varsity band are also composed of students from both Morton East and Morton West.

Concert Held

The concert band consists of students from Morton East and West. Performing in its first concert on February 29, the band opened with "Thus Spake Zarathustra," popularly known as the theme from "2001 - A Space Odyssey," by Richard Strauss.

Featured soloists Mark Camphouse and Richard Melka performed the "Concerto in Bb for two Trumpets," by Vivaldi.

Directed by Mr. Joseph Frantick, the concert band also performed works of two contemporary American composers, Kenneth Farrell's "Two Impressions" and "The Merry Mount Suite" of Howard Hanson, concluding the program with the finale of "Brahm's Symphony No. 1."

According to Mr. Tafoya, two students excelled in their work this year—Barbara Lockery and Linda Pierson, violonists.

Other activities included the pancake dinner sponsored by the Music Parents Association. Proceeds went to finance the summer music camp, parties, and scholarships.

Far left: Hard work, patience, and steady practice make any musician a good one. Left: This drummer "notes" the importance of a good beat and close attention.

Teach Riflery

Because they are a part of the music department, Militaires have not had any money-making activities this year. Rather they spent their time performing at the Homecoming game, caroling at a nursing home, going to the dunes, and sponsoring a skating party.

At present the skill of the Militaires centers around the coordinated use of flags in accordance to music. Miss Remp, advisor, however, is trying to teach the girls to work with regulation rifles to present the appearance of a more precise drill team.

The girls dropped the maroon coulotte outfits from last year, replacing them with the more appropriate tailored military outfits.

Finish Sixth

This year Varsity Baseball had quite a few outstanding players: Mike Bartkowski, second baseman; Art Greszkowiak, infielder; "Jug" Olmstead, outfielder; and Larry Weirer and Tony Schlingo, pitchers. In addition to being outstanding players, all these athletes were also lettermen.

Morton placed sixth this year in the league standings with a total of six wins, seven losses, and one tie.

Coach Peterson's boys received new caps and jersies to go along with the uniforms of the previous year.

Two Honored

This year, the Sophomore Baseball team was honored by being represented by two outstanding players: Bob Bianco, shortstop, and Jim Cafarello, left-outfielder, who played in the State District Varsity Team. Also, Bob Kokenes, a pitcher, was marked as an outstanding player.

In the Suburban League, the team finished with an overall record of twelve wins and one loss. The season's record, however, was seventeen wins and one loss.

To improve the skill of the players, an electric pitching machine was purchased.

Take First

The Freshman Baseball Team, which held the Suburban League title for the past two years, did it again this year! Two outstanding players contributing to this accomplishment were Dale Stone, pitcher, and Bill Kalal, infielder.

To help develop better hitting, a batting cage was purchased, a useful addition.

Coach Olmstead, in speaking of next year, said that he hoped he would have an even more successful team than he had this year.

Wins Dual Meet

For the first time in seven years, the Varsity Tennis team won the dual meet, beating out Hinsdale South. Among Coach Polacek's outstanding players were seniors Frank Zematis, John Novotny, Wayne Miller, and Bob Czarnowski. The junior outstanding players were Tom Robak, Don Nekolizcek, another outstanding player on the team although he was only a sophomore, was Rick Ritacco.

On the sophomore team, Tom Smyrak, singles player, was outstanding.

To help both teams get more practice, the Western Electric Company allowed Morton the use of its clay courts.

Meets At Acacia

Because all of Coach Hedkte's outstanding players, Frank Razzino, Dave Stepenske, Jim Carmiani, Tom Weidenhoeffer, Rich Patera, and John Bartoski, were juniors last year, all will be back on the varsity golf team this season. Of all the players, Frank Razzino had the lowest average.

Practice for the team was held at Acacia Country Club. Home meets were also held here.

Asked what his hopes were for this year's team, Coach Hedtke stated, "We hope to win the Suburban League title and go down state."

Golfers Finish

The Soph-Frosh golfers finished, this year, in last place with a total of 0 wins and 7 losses. Coach Stern said that because of lack of participation, the team did not do so well as it should have. He hoped that more Freshmen would try out for the team so that the strength of the varsity team could be increased in future years.

Practice at West

This year, the Varsity Cross Country Team finished fourth in the Suburban League with a record of four wins and three losses. Although no real records were established, Pat Mandera did run faster on the home course than he did last year. Pat also ran in the State Cross Country meet, finishing seventh.

Both the Varsity and Sophomore teams held their practice at Morton West's field and Columbus Park. To keep in shape, these boys ran from East to the place of practice. Throughout the summer, the team participated in a thousand mile run. Any team member finishing by the end of summer got a practice shirt to wear during the year.

Awards were given to the outstanding runners at the Fall Sports Awards Banquet. This banquet took the place of last year's Parent Pot Luck Dinner.

Tom Novotny, sophomore runner, after jogging there from Morton East, practices the mile run at Columbus Park with several other members of his team.

Interest Lacks; Winless Season

This year the Mustangs were honored by three players that received outstanding awards. Bill Honeycutt won the Booster Club's Most Valuable Player award, Gary Hainrihar and Bill Honeycutt won the Life Newspaper All Star trophy, and John Schabowski won the American Legion trophy for the outstanding scholarly athlete. He is in the upper two per cent of his class.

Along with the awards, some team members won four year scholarships making the total of scholarships won to twelve in two years.

Coach Geiger stated that more boys could win such scholarships, but for the last two seasons the turnouts for football have been poor. "It is due to the lack of interest in combative sports. The kids just concentrate on one sport, explained Geiger, but the two captains, Mike Castillo and "Jug" Olmstead did a very find job."

A new weight training program was instituted this year. It takes place when the season is over with to keep the players in shape.

Through skill, precision, and team efforts, some of the Mustangs try to tackle an opponent and thus take charge of the ball.

After several other tactful plays, the Mustangs score and soon find a victory close at hand.

Above Left—To start off every game, the Mustangs enter on to the field by going through their maroon emblem. Above—A swift and skillful Mustang heads for the goal posts to put his team ahead in the football game. Left — Even though football is a rough and tumble sport, many funny positions take place on the field during the game.

Award Players

This year, Coach L. E. Smith claimed several outstanding players on his Sophomore Football Team: Dan Zarzan, Ron Oswell, Dave Bishop, and Gene Consentino. At the end of the year, these players and others were given minor awards, numerals, at the Annual Sports Award Banquet.

The team ended its season with a record of no wins, six losses, and a tie in the Suburban League. Despite this fact, however, Coach Smith said that the team was good and never failed to keep a good attitude throughout the season. He said that the knowledge they acquired on this year's team would help them greatly when they played on the varsity level.

Defeat is shown by the players on the bench, even though they are not in the game.

Use New Plays

Mr. Begovich, the coach of Freshman Football, was greatly pleased with certain boys on the team. Some members of the "B" team showed excellent form and were put on the "A" team. Every week the team used new plays to help them develop a better offensive team.

To honor all members of the team, a minor letter was awarded.

This year the team's record was zero wins and seven losses.

Plays All State

This year, three players were a credit to Coach Justmann's Varsity Soccer Team. They were Gint Bobinas, goalie and halfback, who played on the All State-All Suburban League Team; Tim Neighbors, fullback, who played on the All Suburban League Team; and Tom Chmela, a sophomore playing varsity forward wing, who also played on the All Suburban League Team.

Because Morton played against great competition this year, the soccer team finished in last place in the Suburban League with a total of no wins and seven losses.

Players Excel

Although Morton's Sophomore Team finished last this year with a total of no wins and seven losses, it did have several good players. Among them were co-captains Dan Kurka, fullback, and Paul Sarn, forward, and Vincent Del Fiacco, forward. This year, the team also purchased new game uniforms.

Coach Justmann urged more boys to join the soccer team, hoping that a bigger team might help improve the standings. He also stressed that more student interest might aid the sport.

Sets Record Mile in 4:20

A Morton outdoor trackman set a new suburban league record for the mile run! Pat Mandera, senior, ran the mile in 4:20. He also represented Morton in the two mile run and received an award for his participation in that meet. Greg Amendola also brought recognition to JSM when he received an award for pole-vaulting.

Two men were named outstanding players: Lewis Marovitch (2 mile run) and Pat Mandera. Other recognized players were Tom Kuntz for the high and low hurdles, Bob Harmon for the 880 yard run, and Stan Stopka for pole-vaulting.

Prospects for the future seemed hopeful as several solid sophomores will move up to the varsity.

Reach Finals

Rich Nesladek, who was outstanding in the breaststroke, qualified for the state finals with a record 1:06.8 record, while Mark Zaplik qualified for diving. Besides qualifying for the state meet, Rich also set a new varsity record with a time of 1:05.9. Another record was set by the 200 yard medley relay team, 1:49.8.

With a record of seven wins and five losses in the district, Coach Jim Jerkatis stated that this was the best season the team has had in seven years.

Record boards were purchased to help inspire the team members to do better and new stands for the diving boards were also purchased. The last function of this team took place in April when a banquet was held to honor the most valuable player, the most improved player, and the graduating swimmers.

Above right: Starting a new lap, this backstroker puts forth great effort to catch up with and overcome his opposing teammates.

Practice everyday after school helps the swim team members to improve their strokes and to increase their speed.

Breaks Records

New records were set by the Sophomore Swim Team this year. They included a new 200 yard free style record set by Jim Augustine with the time of 2:14.6 and a 400 yard free style relay team record set by Pat Orff, Jim Augustine, John Wagner, and Rich Stack, swimming at 4:03.0 minutes.

Although the suburban league standings were weak, one win and five losses, the overall standings proved to be better, seven wins and five losses.

With some sophomore team members moving up, Coach Jerkatis expressed hopes of having a more improved varsity team next year.

Tie For Fourth

This year, the Freshman Swimming Team accomplished two things: they beat Highland Park for the first time in twelve years with a score of 48-47 and they beat Oak Park for the first time in ten years by one point.

Members of the team also made some significant marks. Throughout the year, four new records were established. Two of these were set by Dave Soudini, free styler, who swam in both the 50 and 100 yard free style events. Randy Arnold set a record for the 300 yard free style with a record of 3:48.6 and the 400 yard free style relay team swam their event in 4:09.9 minutes.

The boys on the team ended the year by tying for the fourth place position in the Suburban League.

Train Full Time

Because Coach Hudgens and the team members were striving for a more successful team, varsity basketball players worked harder than before during their seasonal, after school practice sessions. During their practices, junior players were given varsity experiences and all members of the team learned how to improvise fundamental skills and worked on perfecting those skills.

This season Coach Hudgens had two outstanding players. They were Bob Bianco, guard, and Alan Schnulle, forward.

Finishing in sixth place, the team had a total of six wins and two losses.

Award Athletes

Working with an evenly matched team, Coach Johnson's Sophomore basketball players finished the season with three wins and eight losses in the Suburban League.

Although there was no one player that stood out individually, all team members did strive hard to make their team a success.

This year's Freshman Basketball Team boasted three outstanding players: Brian McKenny, captain, Ken Smulski, high scorer and guard, and Jim Siemianowski, guard.

Coach William Stern, proud of his team, stated that although they played the most outstanding teams in the state, and not always successfully, Morton had one of the best teams in its history. Though all team members could not be cited as outstanding players, each player did his part to contribute to the performance of the team.

In April, at the annual winter sports' banquet, the best players of both teams received letters.

Left: Robert Robertson attempts to make a free throw during the game against York High School. Below: Players from both the Morton and York teams scramble under the basket to try to retrieve the ball before their opponents do.

Best Team Yet

This year, the Freshman Basketball Team had three outstanding players: high-scorer Ken Smulski; captain, guard Brian McKenny; and Jim Siemianowski.

Coach Stern stated that this team was one of the best teams he has ever coached at Morton. He also said that although these players are facing the toughest teams in the state, they are doing excellent work; the boys practice hard and put forth all their effort at all games.

Despite the fact that these boys did work very hard, they finished with a record.

With pin-point accuracy, this basketball player tries to chalk up two points.

Mike Castillo Is MVP

Above—In twisted positions, two hard-working wrestlers try to pin each other to the mat to win a victory for their team. Right—Before the actual wrestling begins, each grappler tries to outguess the other one by coaxing him.

This year the Mustang wrestling squad finished in a third place standing with a team record of eight wins-seven losses.

Outstanding wrestlers were juniors James Panell and Kerry Willis. The most valuable trophy went to senior Mike Castillo, who had an almost undefeated *two* years with thirty-three wins and one loss. He made all suburban and finished the highest at J.S.M. since 1966. The most improved player trophy went to Gary Hainrhar.

The season ended with a banquet held in March and Coach Bob Mann stating, "This was one of the best years."

Team Wins 6

This year, the Sophomore Wrestling Team finished fourth in the Suburban League with a record of six wins, six losses, and one tie. Although no records were broken or set, three team members did show outstanding ability. They were Frank Alexander, Ron Oswell, and Glen Kizior. Of these three wrestlers, Frank was named the Most Improved Player of the year.

Coach L. E. Smith said that he hoped some of the twenty members of this year's Sophomore team would try out for next year's Varsity team, adding that this would add more strength to the varsity team.

At the banquet held at the end of the year, the players were awarded for their work. Those deserving, received minor awards in the form of numerals.

Ties Reavis

The Freshman Wrestling Team started this year off by tying with the Reavis Rams. The rest of the season followed with two wins and ten losses.

Coach Salerno's outstanding players were John Flaza, with a 12-1 record, Tom Corolak, with a 12-0 record, Al Hermanza, Steve Matusek, and Bill Mistratta, who dropped out in mid-season because of an ankle injury. Of these boys, Tom was picked Outstanding Player of the Year.

As the year ended, Coach Salerno stated: "I am looking forward to a better year. I have sixteen excellent Freshmen prospects for our next season."

Add New Event

This year's Varsity Gymnastics team, which Coach Swanson referred to as "the best team I have had in four years," included three outstanding players. They were: Joe Fenwick, who worked the rings and performed in a new event, the all-around; Ed Pavek, who worked on the parallel bars; and Dan Slomiany, who performed another new event, free exercise.

"All-around," one of this year's newly added events, consists of five categories all scored on a ten point scale and averaged together. "Free exercise," the other new event, resembles that of the Olympics, where movement, balance, strength, and leaps are put together to create a routine. Boys are then scored on how well they perform.

Coach Swanson stated that this year's team worked hard, did more routines than before, and put forth great effort. Participants were rewarded for this work at the banquet held towards the end of the year.

Need More Boys

Because this year's sophomore and freshmen gymnastic teams suffered from a lack of manpower, both Coach Polacek and Coach Weber stressed the need for more boys to try out for the team. Both also expressed a strong hope to start a grammer school program to get the interest of the boys sooner and to help develope their skills over a longer period of time. The coaches stated, too, that greater student interest might help give the team a little more initiative.

While all of Coach Polacek's boys worked equally well, Coach Weber had five boys who stood out from the others. They were Chris Olmstead, Bob Cerny, Wayne Kitzman, Jeff Harrison, and Bob Majerski. Coach Weber stated that he hoped all of these boys would be back next year on the sophomore team.

Along with the varsity team members, sophomore and freshman outstanding gymnasts were awarded at the Awards Banquet held in spring.

In the topsy-turvey world of the gymnast, practicing daily improves his skill and coordination which are essential.

Sets Mile Record

This year Mr. W. Ritchie's Indoor Track team had nine outstanding seniors. They were Pat Mandera, Louis Marovitch, Tom Kuntz, Bruce Kolozy, Bill Lewis, Charles Drabek, Peter Soumar, Bob Harmon, and Jim Johns.

A new record was set by Pat Mandera. He broke the time for the mile run; his time was 4:19.4. Mandera also broke the two mile run with a time of 9:12.6.

Further Skill

With the help of the dance classes, the Modern Dance Club presented a show. Each dance was choreographed by the students and the officers and advisor, Mrs. J. Fry, decided which ones would be performed. This show helped to emphasize the purpose of the club which is to further the technical skill and knowledge of Modern dance.

With the help of two girls, a tumbler uses skill and grace to carefully get into the rings to do a stunt.

Taught Stunts

Because the most important objective of Tumbling Club is for the girls to enjoy themselves, the members learn new skills and techniques in gymnastics. By doing stunts, the girls work towards a letter that is presented at the end of the semester.

Other awards are given out to the tumblers at an Awards Banquet held in June.

This year the club participated in a splash party and attended a Midwest Open Gymnastic Meet.

Holds Party

Because the purpose of the Girls' Athletic Association (GAA) is to help its members learn good sportsmanship, the girls participate in many after school sports. These sports include volleyball games against the girls' gym teachers, basketball games, tumbling and bowling. Other club activities include an annual picnic and splash party.

GAA events were chaperoned by the club's two newly appointed advisors, Miss Bryja and Miss Balla.

The club, which meets every Tuesday and Thursday after school is open to any girl who is interested in girls' athletics.

Assist Teachers

Taking the place of a regular gym class, freshman girls outstanding in gym apply for the Leadership Course. While sophomores, these girls are taught the basic fundamentals of tumbling, apparatus, dance, swimming, and various other courses.

During their junior and senior years, the leaders are assigned to gym classes and help the teachers take attendance, referee games, lead exercises and control the class. Several of these students choose to make physical education their career.

Honor Team

To promote school spirit, to keep accurate track records, and to time at the meets are the purposes of the Track Timers.

This year the club sponsored two bake sales and during relay meets, refreshments were sold with the help of the Booster Club. The money, which was added to the treasury, was used to plan a surprise for the team; also, a pot luck banquet was held to honor the runners.

Along with the new outfits of a blue skirt and a tennis sweater, the Timers also wore a necklace charm of a winged foot.

Time Team

A telephone wire ring sale, a banquet at the end of the year, a dunes trip, and a picnic were additional activities that the Swim Timers participated in; the girls also invited members of the swimming team to take part in these events.

Besides the plan to revise their point system, another change was seen: an updating of outfits; the timers now wear white coulottes and maroon pullover sweaters.

The purpose of the club is to be a service organization timing the swimmers.

Places First

Besides performing at the football and basketball games, the Pom-Pom Squad also entertained at the Berwyn Recreation Center, the Faculty vs. the Bears basketball game, and ushered for the school play and fashion show.

Other activities included three bake sales, a sockhop after a basketball game, a car which placed first in the Homecoming Parade, and a banquet in April.

The purposes of the Pom-Poms are to promote school spirit and to provide the student body with entertainment.

Award Points

To promote goodwill with other schools, interest in wrestling, and school spirit are the main purposes of the Wrestling Pep Club. The girls attend the meets and make posters, for which they receive points. At the end of the year, the cheerleaders with a total of 310 points are awarded a circular charm with their name on it.

Other activities the Wrestling Pep Club sponsored and participated in were bake sale, a banquet for the wrestling team, and an awards banquet for the girls who receive awards.

Perfect Cheers

Besides promoting school spirit, the Cheerleaders sponsored two banquets. One, held in winter, was the Basketball Awards Banquet, and the other held in April was the Cheerleading Awards Banquet. At the latter, cheerleaders who had earned 2100 points were given an "M".

After school was out in June, the girls attended camp where they were taught new cheers and how to perfect old ones.

Miss Strejc, the advisor, stated that this year's Sophomore squad was exceptional and that the Varsity squad was very good.

While in the greenhouse, an area seldom open to students, Mr. Hudgens instructs students in plant-clipping. Harboring various plants and soil types, the greenhouse is an integral part of the science program.

Let's see: Was that $NaCl$ or $AgCl$? Maybe it was HCl. How about H_2O? Anything you say, Teach!

Homecoming events this year included an assembly with a ringmaster, Bonita Blandi, and a dance entitled "The Carnival" with various paper mache animals as decorations for the dance. Also a part of the homecoming activities were performances by the Pom-Pom girls, cheerleaders and Militaires. The Marching Band provided the music and a show during half-time.

In the morning, "before anyone arrives" is the time to finish last minute homework.

Aware of good grooming, this student takes a quick moment to fix herself up.

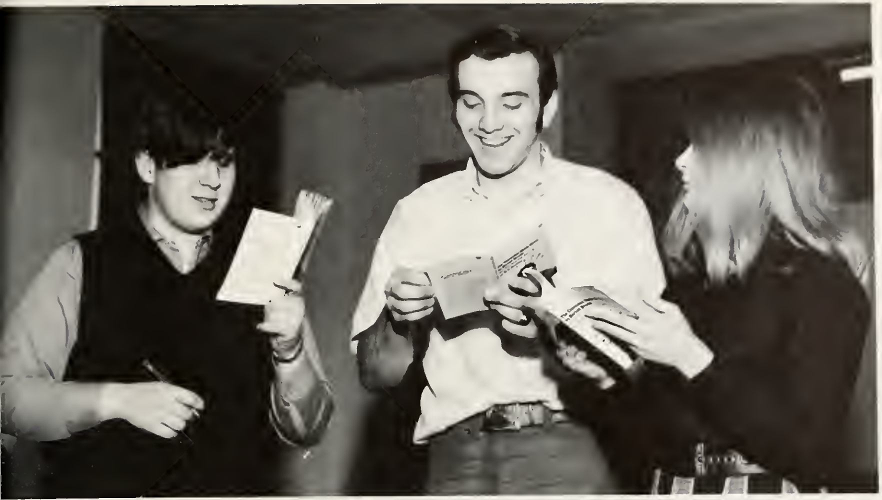
Explaining the construction of an annual at an open house is part of an editor's job.



Tryouts for "The Caucasian Chalk Circle" were held after school for those who wished to participate in its production.

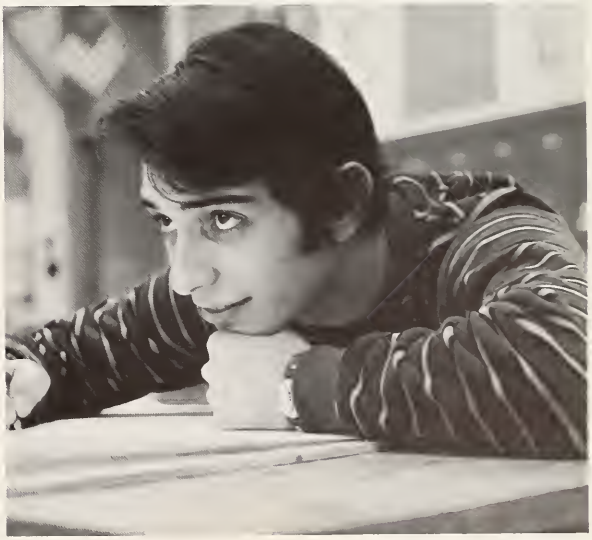
An artistic student views his model from all sides to help get the right effect.



An annual is a record of events and as I guided the putting together of this yearbook, I recalled my four years at Morton.

Each year, for me, was an unique experience. My fourth year was an unforgettable one. The heartships and joys that I experienced were brought back. I recalled the teacher strike, the student walk out, the Homecoming, the concerts and so many other events.

I, with the help of a skillful staff, have tried to record all the events for you. My staff worked long, hard hours and produced an excellent annual. I would like to say thank you first to my assistant editor, Pat Behensky, who did a fine job in helping me keep organized. Next a big thank you goes to my layout and photography editors. Both worked hard to record each activity accurately. Next my technical copy editor, my photographers, and my general staff deserve a heartfelt thank you. Then Miss C. Baranowski, our new advisor, who helped my staff when the going got rough.

Along with the list of people to thank are the *Mortonian* newspaper, Mr. C. Ostrowski, the student body, the faculty, the administrators, the photography studio, and the publishing company.

So now as I leave Morton, I would like to pass another wonderful year on to the students who will succeed me. Best of luck in all your years at Morton.

Barb West
